*“Just to keep you up to date on Bideford Folk Festival - 2009 was a huge success, however it was heavily subsidised by grant funding which we haven't got in place for 2010 so we have, with much thought and discussion, decided to have a year off. We had originally planned a very low key, singers and musicians event on our camping field but with further problems have decided not to go ahead. We are trying to establish some sustainable funding to put on a festival for 2011 and will let everyone know how successful we are with this. Please pass this information on to anyone who asks about the festival and thank you to everyone who made last years event so successful. Hilary Bix”*
